CAREER SUMMARY

Full Stack Developer with 5+ years of experience delivering scalable, high-performing web applications using React, Next.js, and Tailwind CSS. Proven track record of leading UI development for SaaS platforms and admin dashboards, improving performance (up to 50% faster load times) and enhancing user experience across devices. Skilled in API integration, reusable component architecture, and mentoring junior developers to maintain clean, maintainable codebases.

WORK EXPERIENCE

AutomatedPros | Remote

Full Stack Developer | 01 July, 2024 - Present

- Lead development of scalable, responsive interfaces using React, Laravel, and Tailwind CSS.
- Drive API integration and UI architecture, ensuring seamless data handling and dynamic workflows.
- Optimize performance, accessibility, and responsiveness, raising Lighthouse scores to 95+.
- Lead as a QA tester, implementing code reviews, testing workflows, and quality checks to ensure project stability.

Nur-IT | Remote

Frontend Developer | 1 October, 2023 - 30 June, 2024

- Designed and developed the NurAdmin Dashboard using React.js, ApexCharts, Tailwind CSS.
- Built dynamic charts, custom components, and theming functionality for social media management tools.
- Worked closely with product teams to deliver scalable and user-centric interfaces.

DotNET Expert | Dhaka, Bangladesh

Jr. Frontend Developer | 1 December, 2022 - 30 June, 2024

- Migrated company site from DotNet MVC to Blazor with improved UI/UX.
- Collaborated in cross-functional teams to deliver high-quality web features and bug fixes.

RELEVANT PROJECTS

Social Media Management Dashboard

15 March, 2024 - 20 March 2024

Key Features:

- Real-Time Data: Live updates via API integration for instant responsiveness. Interactive Charts: Engaging data visuals using dynamic chart libraries.
- Theming & Customization: Flexible UI with customizable styles and layouts.
- Components Library: Reusable, modular components for consistency and speed.

Keep: Multi-Purpose E-commerce and Blog Website

10 February, 2025 - 15 February, 2025

Key Features:

- E-commerce Functionality: Shopping experience with cart, checkout, and product display. Blog & Case Study Pages: Structured content layouts for articles and project showcases.
- UI Enhancements: Smooth animations, hover effects, and interactive elements for better UX.
- Fully Responsive Design: Optimized layout that adapts perfectly to all screen sizes.

EDUCATION

Uttara University | 2024 - 2027

Bachelor of Computer Science - Software Engineering

- Gaining practical knowledge in software development, data structures, algorithms, and object-oriented programming.
- Working with technologies such as JavaScript, Python, React.js, Node.js, and MongoDB through
- academic and personal projects.

Barisal Polytechnic Institute | May 2015 – July 2019

Computer and Information Technology

- Specialized in Computer and Information Sciences and Support Services.
- Built foundational skills in C, Javascript, HTML, CSS management, and computer hardware. Completed multiple academic projects, focusing on practical problem-solving and technical application.

PROGRAMMING SKILLS

Frontend

- HTML5
- CSS3
- JavaScript
- TypeScript

Back-End

- Node.js
- Firebase
- ExpressJs
- MongoDB

UI Technologies

- Tailwind css
- Bootstrap
- Sass/SCSS
- Material UI

Front-End Technologies

- React.js
- Next.js Laravel
- jQuery

TOOLS & SOFTWARE'S

Code related

- VS code
- ESLint Git
- GitHub
- React Dev Tools
- Postman
- Vercel Bitbucket

Design related

- Figma
- Adobe XD
- Adobe Photoshop
- Canva

UX & Animation

- GSAP (GreenSock)
- Framer Motion
- Swiper.js
- AOS

TRAINING SUMMARY

Creative IT institute | January 2022 – July 2022

Responsive Web Design & Web Applications Development

- Completed a comprehensive training program focused on Responsive Web Design principles. Gained practical experience with HTML5, CSS3, Bootstrap, Flexbox, and media queries.
- Built mobile-first, cross-browser compatible websites & improved front-end design techniques.
- Strengthened core front-end skills and prepared for working with advanced frameworks like
- React and Tailwind CSS.
